### Code of Conduct

The IEEE Computational Intelligence Society SBC62361B - GHRCE is dedicated to providing a safe and comfortable environment and harassment-free experience for everyone

Please treat everyone directly or indirectly associated with the event, with utmost respect. We ask that you act kindly, behave professionally, and do not insult or put down other attendees. Remember that harassment and racist, sexist, or exclusionary jokes are not appropriate for this event. If at any point you see a fellow student being harassed, please talk to any available Bootcamp organizer.

## Terms & Conditions

Harassment includes but is not limited to offensive verbal or written comments related to gender, age, sexual orientation, disability, physical appearance, body size, race, religion, social class, economic status, veteran status, sexual images, deliberate intimidation, stalking, following, harassing photography or recording, sustained disruption of talks or other events, inappropriate physical contact, and unwelcome sexual attention. If what you're doing is making someone feel uncomfortable, that counts as harassment and is enough reason to stop doing it.

We expect participants to follow these rules at all Bootcamp platforms, online interactions, social events, etc. If you are being harassed, notice that someone else is being harassed, or have any other concerns, please contact SBC.
